

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

ROBERT E. WATKINS,

Petitioner,

V.

UNITED STATES OF AMERICA,

Respondent.

MEMORANDUM AND ORDER

I intend to resentence the defendant to time served, but impose a new sentence of supervised release for three years based upon the government's research (filing no. 355) on this issue. I will impose the same terms and conditions of supervised release as set forth in the original judgment. Therefore,

IT IS ORDERED that counsel for the defendant shall submit a new waiver no later than the 5:00 p.m. on Friday August 12, 2016, consenting to such a sentence and waiving the defendant's right to a personal appearance. If there is an objection to such a sentence, counsel for the defendant shall file an objection no later than the above date together with a supporting brief. The Clerk shall set a case management deadline for Monday, August 15, 2016, and my chambers shall call this file to my attention on that date.

DATED this 26th day of July, 2016.
